

December 21, 1936

Dear Mr. Robinson:

Chairman Landis has asked me to reply to your letter of December 16, 1936.

Mr. Landis appreciates your offer to discuss certain important problems with him in the light of your experience, but regrets that the pressure of other obligations will make it impossible for him to do so. If you will communicate with Mr. Ernest Angell, Regional Administrator of the Securities and Exchange Commission for the region comprising New York, Pennsylvania and New Jersey, with offices at 120 Broadway, New York City, perhaps he will be able to arrange such an interview with you.

Very truly yours,

Milton Katz
Executive Assistant
