

South Carolina Bar Association

February 9th, 1937

Hon. Samuel M. Wolfe,
Attorney at Law,
Gaffney, South Carolina

My dear General:

I am just in receipt of yours of February 8th, and am in entire accord with the views therein expressed. We had planned to have the annual meeting of the Association around April 1st, but I am now trying to complete arrangements so as to move it up to the 11th and 12th of March. Whether this can be done or not depends upon the engagements of the gentleman who will deliver the annual address. For fear that congressional action may be taken before the Association meets, I am now contemplating suggesting to the Chairman of the Committee on Judicial Administration and Remedial Procedure that he call a meeting of his Committee and adopt resolutions vigorously opposing the proposal of the President to pack the Supreme Court.

In the event that the annual meeting is held before congressional action is taken, I hope very much that you will have an appropriate resolution prepared and offered. In the meantime, I hope that individual lawyers will communicate to their Senators and Representatives an expression of their disapproval of the President's proposal with respect to the Supreme Court.

With kindest regards, I am,

Very truly yours,

McD/C

M. G. McDonald
President S. C. Bar Association.
