Dear Jim:

I have just completed arrangements for a vacation. Beginning about next Tuesday or Wednesday I will be up at East Harwich, Massachusetts on Pleasant Bay. I have rented for a month a house formerly owned by the late Professor Howland of Yale. I hope that if you are down that way you will drop in. I doubt if I will get to Boston on my way up to the Cape but I do hope I see you during the month I am there.

Yours faithfully,

William O. Douglas
