Dear Mr. Zolotar:

I am sending herewith a copy of a letter addressed to all Division Heads and Regional Administrators. With it and referred to therein is a copy of a letter from the President to the Postmaster General.

Since we understand that you operate the Reorganization Division on a relatively autonomous basis (even though the minutes of the Commission disclose that your operation is under the general administrative supervision of the New York Regional Administrator), I am sending the material to your attention as well as to the attention of Mr. Byrne.

Yours truly,

Ralph H. Demmler
