Memorandum

To: Mr. Hindle

From: Mr. Tait

The following excerpt from a letter from Tom Hart, dated April 27, regarding the Cleveland office, should be of interest to you.

Files

All arrangements have been completed to move 12 cabinets of files from Cleveland to Chicago, containing such matters as Regulation A files, X-17A-5 statements, broker-dealer reports, house-keeping files and personnel files. In addition, several cabinets of obsolete files were disposed of, and I have instructed members of the staff in Cleveland to clear out several cabinets containing files of closed Chapter X cases. In all, the files have been reduced by approximately 40 per cent.
