Regional Administrator

Room 350, Peachtree Seventh Building

Dear Bill:

When I wrote to you on June 11, 1954, regarding the appointment of Mr. James Hamilton Hall, I indicated that plans were being made for him to undergo a period of training here in Washington before he reports for duty in your office.

Since he probably would receive little benefit from such training until after he has had an opportunity to learn something about the work in your office first hand, I feel it would be preferable to have him report in Atlanta. After he has had a reasonable period to familiarize himself with the work, we can arrange for a tour of training duty in the Headquarters Office.

Bill Becker has informed me of his conversation with you on June 16. However, unless you have a strong inclination to the contrary, Mr. Hall will be notified to report directly to your office upon completion of the character investigation.

Sincerely yours,

Edward T. Tait  
Executive Assistant  
to the Chairman
