Re: Bill HR 4111

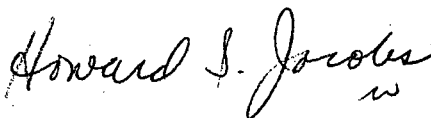

Dear Mr. Speaker:

It has come to our attention that there are several controversial bills scheduled to come before the House of Representatives on Tuesday, April 22, 1975 prior to discussion of HR 4111.

We represent several brokerage firms, and they have expressed an interest, which we concur, to have HR 4111, a non-controversial bill, come to the floor for consideration by the House of Representatives first on Tuesday, April 22, 1975. It is imperative for the securities industry to have HR 4111 discussed and passed, if possible, prior to May 1, 1975.

Anything that could be done to accomplish the above will be very much appreciated by our clients and ourselves.

Very truly yours,

Howard S. Jacobs
